

Day one, **Wednesday 22 April**

Conference programme

- 08:30 **Exhibition and registration open**
- 09:30 **OPENING SESSION** *Chaired by Matt Partridge, Head of Strategic Wind Development, Ecotricity*
Maria McCaffery MBE, CEO, British Wind Energy Association (UK, BWEA)
Speaker, BRE Group (UK)
Speaker, European Commission (EU, Government)*
- 10:45 **Exhibition and refreshments**
- 11:15 **FINANCIAL FOCUS** *Chaired by Ben Madden, Director, Element Energy (UK, Consultancy)*
Financial incentives for small scale renewables in the UK, *John Moriarty, Assistant Director, Department of Energy and Climate Change (UK, Government)*
Portugal already has a Feed-in Tariff, **Antonio Sa da Costa, CEO, APREN (Portugal, Trade Association)*
Delivering the correct Feed-in Tariff in the UK - The Utilities' perspective, *Hugo House, Good Energy (UK, Utility)*
Renewable incentives in the UK, *Dr Gordon Edge, Director of Economics and Markets, BWEA (UK, Trade Association)*
- 12:30 **Exhibition and lunch**
- 14:00 **WORLD MARKETS & FUTURE POTENTIAL** *Chaired by *Murray Burt, Senior Policy Advisor, Confederation of British Industry (CBI) (UK)*
Small Wind in America: An industry perspective, *Ron Stimmel, Small Wind Advocate, American Wind Energy Association (US, Trade Association)*
International markets for microgeneration: Lessons for small wind, *Lindsay Sugden, Energy Analyst, Delta Energy & Environment (UK, Consultancy)*
Sustainable access to renewable energy in rural areas, *Dr Efstratios Tapanlis, SMA, Alliance for Rural Electrification (International, Trade Association)*
The UK Small Wind Market in 2009 and beyond... *Alex Murley, Small-Systems Manager, BWEA (UK, Trade Association)*
- 15:15 **Exhibition and refreshments**
- 15:45 **TECHNICAL ZONE** *Chaired by Stephen Crosher, Quietrevolution (UK, Manufacturer)*
The Spanish strategic R&D plan for small wind turbines development, *Luis Arribas, Principle Engineer, CIEMAT (Spain, Government)*
The future of smart metering, *Dr Howard Porter, Managing Director, European Smart Metering Industry Group (EU)*
Predicting resource in an urban area, *Guillaume Dupont, Development Engineer, Meteodyn (France, Consultancy)*
New wind resource assessment tool, better than NOABL?, *Henrietta Stock, Technology Acceleration Manager, The Carbon Trust (UK, Non-departmental Government body)*
- 17:00 **Day one close**
- 17:30 **Evening reception, at BRE's Innovation Park**
- 18:30 **Coaches depart for train station and hotel**

*invited to participate

Conference programme

- 08:30 **Exhibition and registration open**
- 09:30 **WIND ENERGY AND THE BUILT ENVIRONMENT** *Chair TBC*
David Kennedy, CEO, The Committee on Climate Change (UK, Government)
The zero carbon challenges for small wind, *Chris Twinn, Director, Ove Arup & Partners and UK Green Building Council (UK, Construction sector)*
Speaker, Royal Town and Planning Institute (UK, Planning sector)
- 10:45 **Exhibition and refreshments**
- 11:15 **INTERNATIONAL INDUSTRY STANDARDS AND CERTIFICATION** *Chaired by Ron Stimmel, American Wind Energy Association (USA, Trade Association)*
A framework for international co-operation, *David Sharman, Ampair, Co-Chair of IEC Small Wind Turbine Standards Committee (UK, Manufacturer)*
Development of a new international small wind standard, *Trudy Forsyth, Senior Project Leader, National Renewable Energy Laboratories (US, research and testing centre)*
The challenges of certification: It's how noisy? *Alistair Mackinnon, Business Manager, TUV NEL (UK, research and testing centre)*
Testing and certification in the UK, *David Hails, Microgeneration Technical Specialist, NaREC (UK, research and testing centre)*
- 12:30 **Exhibition and lunch**
- 14:00 **SMALL WIND AT WORK - TRIALS AND STUDIES** *Chaired by Geoff Watson, Principle Engineer, Ecotricity (UK, Utility/Manufacturer)*
Zeeland Small Wind Trial study and certification in Holland, *Sander Mertens PhD MSc BEng, Ingreenious and Dutch Wind Energy Association (Holland, Trade Association)*
Accelerating development of small wind across the UK: lessons from the Warwick Wind Trial Project, *Mathew Rhodes, Managing Director, Encraft (UK, Consultancy)*
Urbines: A study of noise and vibration from rooftop wind turbines, *Stephen Dance, Senior Lecturer, University of London (UK, Academia)*
Small wind turbine installations: safety considerations, *Martin Cotterell, Managing Director, Sundog Energy Ltd (UK, Installer)*
- 15:15 **Exhibition and refreshments**
- 15:45 **THE FUTURE OF THE INDUSTRY** *Chaired by Alex Murley, BWEA (UK, Trade Association)*
**Juan Bornay, CEO, J Borney Wind Turbines (Spain, Manufacturer)*
Speaker, Perpetual Energy (UK, Installer)
Speaker, Proven Energy (UK, Manufacturer)
Pete Allen, CEO, Iskra Wind Turbines (UK, Manufacturer)
- 17:00 **Close and coaches depart for train station**

*invited to participate
